

Product Specification Sheet

Mossrock™ Fine Pine Mulch

Product Description:

Mossrock Fine Pine Mulch made from A-Grade virgin pine wood in a thin stringy form.

Product Size:

Mossrock Fine Pine Mulch is a non-screened product, particles have a thickness between 1mm and 5mm.

The length of particles vary from 1mm to 150mm.

The width of particles vary from 5mm to 50mm.

Materials Used:

Mossrock Fine Pine Mulch is made from A-Grade virgin pine wood sourced from pine wood sawmills throughout Victoria and New South Wales.

Manufacturing Process:

A-Grade virgin pine wood is peeled from pine wood logs to produce the final product.
