

PRODUCT SPECIFICATION SHEET

Mossrock Hogged Bark Mulch

A non-screened product made from A-grade virgin pine bark in a hammer milled form.

SIZE

- Particle diameter varies 1mm-100mm
- Particle length varies 1mm-100mm.

MATERIALS

- Sourced from pine wood sawmills throughout Victoria and New South Wales.

RECOMMENDED USE

Mossrock Hogged Bark Mulch offers similar benefits to other types of mulch, such as weed suppression, moisture retention, and soil protection.

A larger particle size and rustic appearance can provide a unique aesthetic appeal to your landscaping projects.

INSTALLATION

- Our mulch range can be installed efficiently with our pneumatic blower equipment fleet.
