

PRODUCT SPECIFICATION SHEET

Mossrock Pine Bark 20mm Mulch

Made from A-grade virgin pine bark in a hammer milled form and screened to a uniform size.

SIZE

- Particle diameter varies 5mm-15mm
- Particle length varies 5mm-30mm.

MATERIALS

- Sourced from pine wood sawmills throughout Victoria, New South Wales and South Australia.

RECOMMENDED USE

Mossrock Pine Bark 20mm Mulch is a versatile mulching option that offers several benefits to the garden.

Its moisture retention, weed suppression and soil improvement properties make it a popular choice for a variety of landscaping applications.

INSTALLATION

- Our mulch range can be installed efficiently with our pneumatic blower equipment fleet.
