

PRODUCT SPECIFICATION SHEET

Turf and Garden Mix (T&G)

Our Turf and Garden Mix is a high-quality garden soil perfect for instant turf, seeding and garden beds.

MATERIAL

When landscaping, our Turf and Garden Mix is a great soil for creating finished levels prior to planting.

The combination of quality inputs and levels of organic matter ensure plants will thrive after establishment.

The components in our T&G Mix provide the ideal growing media for use in 'on grade' landscaping projects.

TESTING

- Developed in consultation with industry recognised Soil Scientists
- Routinely retested to ensure:
 - compliance with the testing criteria
 - customers receive a consistent high-quality product.

INSTALLATION

- Efficiently install T&G in any landscape project using our pneumatic blower equipment fleet.

CREATING GREENER FUTURES

move large volumes
10-50m3

blow material up
25 storeys

blow material across
200+ metres

application rate of
15-50m3/hr
